GymCats Gymnastics is famous for its fun filled Birthday Parties. Our energetic staff and spectacular facility will make every birthday party a memorable experience.

Children start the party with an exciting warm-up and move on to a challenging obstacle course. NO experience necessary, all guests have a great time!

After jumping, swinging, and rolling through the obstacle course, children then move on to the following apparatus:

- Trampoline and Tumble Trak
- Foam filled pit
- Giant Air-Filled Slide (ages 4 & up)
- Air-Filled Fun House
- After an hour of action packed activities, children then spend a half hour in our festive party room. 3 & 4 year old parties spend 45 minutes in activities and 45 minutes in party room.
